Index

ADJUSTMENT, WAGE. Sanford E. Thompson, 51–3.

AFTERWORD. Editor-in-charge, 91–4.

Agriculture: crop areas, 112, 167; in the Dominican Republic, 168–9; in Haiti, 120–1, 133–4; sugar, 168.

America: accomplishments of, 163, 181, 187, 193; American loan, 161; anti-American agitation, 149–52, 186–7; criticism of, 151–2, 161–2, 187, 193; representatives of, in Haiti, 148–9.

AMERICAN INTERVENTION IN HAITI AND THE DOMINICAN REPUBLIC, THE. Carl Kelsey, 109–202.

American policy: criticism of, 151–2, 161–2, 177–9, 189, 194, 197–8; difficulties in, 163, 195; lack of definite, 178–9; merits of, 163, 181, 187, 193–4; a suggested, 197; suggestions as to, 164–5, 189, 194, 195–6, 197–9.

American Relief Administration in Russia, 9, 107.

Analysis of operations: elements in, 16, 21–2; essential to relative rating, 48, 49, 50, 52–3, 61; first step in wage determination, 22–3; scientific, and relative earnings, 52–3.

ANALYZING, GRADING AND VALUING OPERATIONS IN A MODERN MANUFACTURING ORGANIZATION. A. B. Rich, 19–24.

Atrocity charges, 142–4, 187–8.

Banks, 155, 158–61.

Banque Nationale, 158–9, 160–1.

BASES FOR DETERMINING WAGE-RATES: A FAIR DAY'S PAY FOR A FAIR DAY'S WORK. R. M. Hudson, 24–9.

BASES USED BY DEPARTMENT STORES IN ESTABLISHING WAGE-RATES, THE. Philip J. Reilly, 29–37.

BECVAR, FRANK J. A Method of Grading and Valuing Operations, 15–18.

Bibliography, 200–2.

Bolsheviks: complete political domination by the, 2–3; economic failure of the, 6–7; labor under the, 2–3, 5; the peasants and the, 3, 6; political failure of the, 5–6; possible successors to the, 6–7, 10.

BOLSHEVIKS, RUSSIA UNDER THE. Marguerite E. Harrison, 1–4.

Bolshevism: its own enemy, 3, 4.

Bonuses: department store awarding of, 34–5, 36; as granted by Joseph and Feiss Company, 18.

BOOK NOTES. Carl Kelsey, 200–2.

BULLARD, ARTHUR. Russia in the Fabric of International Finance, 10–2.

Cacos, 124, 136, 137, 138, 139, 143, 163, 175, 179.

CARVER, T. N. The Equilibrium Wage, 77–9.

Cheaper goods: way to economic betterment, 67, 76–7.

Civil intervention in Haiti: American representatives, 148–9; complaints against, 149–52; conditions leading to, 144–5; Convention of the United States and Haiti, 152–4; engineers, 147–8; Financial Adviser, 147; Receiver General, 145–6.

Classification of operations: necessity for frequent review of, 17, 31. *See* Analysis of operations, Grading operations, Valuing operations.

Commerce. *See* Trade.

Commission plan: variations in, 32–3.

Convention between United States and Haiti, 141, 144, 148, 152–4, 161, 163–4, 177, 190.

COST OF LIVING AS A BASIS OF ADJUSTING WAGE-RATES, RELATIVE RATING VERSUS. Thomas Warner Mitchell, 37–51.

Cost of living principle: base for minimum rates in department store, 29; economic implications of the, 86–7; general wage levels and, 52; impotency of, as basis of wage adjustment, 40–7, 52, 54, 58, 94; indirect effect of, 38–40, 52; limited application of, 78–9, 91–2; potency of, in price movement periods, 58–60.

Courts, 129–30, 174–6.

Department stores: adoption of productivity basis by, 30–1; commission plans in, 32–3; Joseph Horne Company wage payment plan, 33–4; minimum starting rates in, 29–30; selling cost basis in, 31–2.

DEPARTMENT STORES IN ESTABLISHING WAGE-RATES, THE BASES USED BY. Philip J. Reilly, 29–37.

DENNISON, HENRY S. Regularization of Industry Against Unemployment, 102–5.

DEVELOPMENT AND ACCESSIBILITY OF PRODUCTION RECORDS ESSENTIAL TO INTELLIGENT AND JUST DETERIMINATION OF WAGE-RATES, THE. Samuel Gompers, 54–5.

Disarmament Conference, 9.

Dominican Republic: agriculture, 167–9; economic situation of, 172–3; ports, 172; postal service, 183, 184; public works, 182; roads, 171–2, 182–3; sugar, 168; steamship lines, 172; taxation, 180–1; topography, 166–7; wharves, 183.

DOMINICAN REPUBLIC, THE AMERICAN INTERVENTION IN HAITI AND THE. Carl Kelsey, 109–202.

Dominicans: amusements, 171; commerce, 172, 173; courts, 174–6; family life, 170; freedom of the press, 184–7; government, 174; graft, 176; health and sanitation, 169–70; housing, 169; personal traits, 171, 176; population, 167–8; religion, 174; schools, 173–4, 181–2.

DOMINICANS, THE. Carl Kelsey, 166–7.
DRURY, HORACE B. The Effort of the Worker to Improve His Own Condition Is Indispensable, 63–77.

Education, 124, 130–1, 173–4, 181–2. *See* Schools.
EFFORT OF THE WORKER TO IMPROVE HIS OWN CONDITION IS INDISPENSABLE, THE. Horace B. Drury, 63–77.
Employe: interest of, in best mode of operation, 25–6, 29; viewpoint of, 24.
Employer: coöperation in mode of operating, 25–6, 29; problem confronting the, 24–5; under scientific management, 26.
Employment Exchanges, 97–8.
Engineers, 147–8, 163, 164, 183.
Equilibrium wage: application of, principle, 77–9; inadequacy of, theory, 82.
EQUILIBRIUM WAGE, THE. T. N. Carver, 77–9.
EVOLUTION OF NEW RUSSIA, THE. Paul Miliukov, 5–9.

FACTORS DETERMINING REAL WAGES. Ernest Minor Patterson, 79–85.
Famine region of Russia: causes, 6; child relief, 106, 107; conditions in, 105–7.
FAMINE REGION, THE RUSSIAN. Vernon Kellogg, 105–8.
FEIS, HERBERT. The Requirements of a Policy of Wage Settlement, 57–63.
FINANCE, RUSSIA IN THE FABRIC OF INTERNATIONAL. Arthur Bullard, 10–12.
Finances in the Dominican Republic: bond issues, 191; debt, 190; financial history, 190; general state of, 189, 190–1; internal revenue, 180; taxation, 180–1.
Finances in Haiti: banks, 155, 158–61; condition of treasury, 154–5; currency, 157; income, 157; loans, 155, 156, 158–9; railroad accounts, 156–7; taxes, 157.
Financial Adviser, 147, 157, 160, 164.
FINANCIAL SITUATION, THE. Carl Kelsey, 189–91.
FOREWORD. Clyde L. King, 13.
Freedom of the press, 140–1, 149, 184–7.
